

# PALMYRA AREA RECREATION AND PARKS COMMISSION (PARPC) (8/2017)

Dear Coach,

Thank you for taking your time to coach a PARPC youth sports team! In order to help the PARPC split next season's teams as evenly as possible, we are asking you to fill out this evaluation. Having an objective ranking of players will be a tremendous help. When rating players, please consider the following guidelines:

F – FAIR

A – AVERAGE

AA – ABOVE AVERAGE

O - OUTSTANDING

FAIR – The player whose skill needs quite a bit of work; a child that exhibits low skill development and/or minimal awareness of the game.

AVERAGE – The player who has acceptable skills; a steady player.

ABOVE AVERAGE – Athletic child with excellent skills, but not able to dominate the game.

OUTSTANDING – The player whose skills are exceptional, able to dominate the game.

If you have comments or need further information to fill in this sheet, please call PARPC, (717) 838-9244. Please note that evaluations are considered confidential and should not be discussed with family members or others. It is our intention to run the best league possible, not injure feelings. Thanks again for your time and help!
