*If there is one experience that's sure to build memories,
It's PARPC's Summer Camp.*

By connecting to the interests of our campers, by providing an environment that's nurturing, supportive and inclusive, and by making fun [and safety] the goal of every activity, PARPC offers children in completed grades K thru 8th a special place that makes it all happen and then some.

Campers participate in a whole host of age-appropriate happenings such as sports, games, crafts and learning activities that boost self-esteem, inspire self-expression, facilitate friendships, and build a sense of community.

Summer Camp is an integral part of the Palmyra Area Recreation and Parks Commission. In fact, it's one of the many jewels in our programming, a status that speaks to the staff we choose for their ability to be nurturing, and positive role models for our campers. Our caring doesn't stop with the kids. We engage parents, keeping them up to date on camp fun thru our on-site message board, weekly newsletters, and photos we e-mail.

PARPC Summer Camp provides children with fun memories and friendships that last a lifetime. It's the reason so many of our campers come back year after year. Join us.

To ensure campers safety, PARPC has reasonable rules and expectations in place which need to be followed. Camp follows PASD rules and guidelines. Camp rules are posted and reviewed. We promote an environment that is both physically and emotionally healthy for all campers and expect appropriate language and respect for authority.

Our procedure is as follows:

- **Verbal notice**---Children engaging in unacceptable or disruptive behavior will be asked to take a time out, reminded of the rules and brainstorm appropriate behavior with their counselor.

Conversation with Camp Directors. If specific behavior continues or misbehavior is severe, parents will be informed when picking child up or a phone call will be made to parents.

✓ Camper may be asked to spend a day away from camp and / or refrain from going on field trip.

- **Termination from Program**--- If discipline measures and cooperation with parents/guardians fail to resolve a behavioral issue, the child will be dismissed from the program. No refunds will be given.

Bullying will not be tolerated at Summer Camp. Bullying will be defined as but not limited to behaviors and/or actions that are verbal, physical and/or anti-social such as exclusion, gossip, and non-verbal body language. Such actions will not be tolerated at Summer Camp and immediate action will be taken involving camper, parent, & Director.

Most discipline issues are minor and are easily resolved by the staff. Serious infractions include, but are not limited to, intentionally threatening / hurting others including staff, leaving the group without authorization, stealing, causing damage to property, bullying, or drug/weapon possession. Our actions are meant to provide opportunities for children to learn responsibility and concern for others. Staff will do their best to work with each child.
